PARTIES' JOINT REQUEST FOR A SETTLEMENT ORDER
OF DISMISSAL

Now come the parties, Edward Carter and the Massachusetts Bay Transportation Authority (hereinafter "MBTA"), and report to the Court that they have entered into a settlement agreement that fully resolves the issues in dispute in this case and therefore jointly request that 1) the status conference set for January 30, 2006 be canceled and 2) the Court enter a settlement order of dismissal. Since, however, the parties have agreed, on account of the MBTA's present financial situation, that the MBTA has until July 31, 2006 to make the financial payments called for under the agreement, the parties request that the settlement order of dismissal not become effective until August 1, 2006.
